Q.4b - What in your opinion, is the main cause of the present high rate of unemployment in Canada?

UPPER

DO NOT DOUBLE CODE 1 AND 2

- 1 INTERNATIONAL/U.S. PROBLEMS/EVENTS: state of the world economy, world cycle, exports and imports not balancing the american economy.
- 2 NATIONAL/INTERNAL PROBLEMS/ECONOMY: high prices, poor economy, high taxes, inflation, cost of living, high interest rates, union demands, demands for wages, work ethic, lack of buying power, poor management of companies, firms going bankrupt, forethought by industry because they didn't change to meet the problems 10 years ago.
- 3 TECHNOLOGY/IMPROVED TECHNOLOGY: new machinery progress, computer technology, too much automation, changing job environment.
- 4 GOVERNMENT/GOVERNMENT POLICIES/SPENDING: the liberal party - Trudeau in particular I'd blame Trudeau for most economical ills, the federal government policies, too much government spending, immigration policies.
- 5 OTHER (HAND TAB): too many women workers, a lot of people are not educated enough to get the type of jobs required.
- 6 DON'T KNOW/NOT STATED/CAN'T SAY.

474-1

SECTION 1

Q.8b - Why do you approve of the way Pierre Trudeau is handling his job as Prime Minister?

UPPER

- 1 BEST HE CAN/GENERAL LIKE: he is doing as well as anyone could, works hard does his best, runs government efficiently, best country in the world and overall not his fault, because of his years of experience should know how to handle the job, he has his good points. Economy improving, brought in the constitution, he's looking after both the old and the young, raising money to help others, represents the people.
- 2 INTERNATIONAL POSITION: trying to get better relations and trade for us, represents country well internationally, is a good leader for foreign policies.
- 3 INTELLIGENT/FORTHRIGHT/AHEAD OF HIS TIME : being the man he is he is running the government the way he wants, he's capable, he seems to have interest doesn't need the job, moving quicker than the country can accept, he is a very intelligent man, he's not afraid to speak up for what he believes in, very good states man, he has the guts to think of the whole and not just individual areas.
- 4 QUALIFIED: has done a good job but might be time for a change, considering world problems not his fault, he is trying but what can he do alone, 50% alot of good things.
- 5 OTHER
- 6 DON'T KNOW/NOT STATED

X74-1

SECTION I

Q.8b - Why do you disapprove of the way Pierre Trudeau is handling his job as Prime Minister?

UPPER

- 1 DOESN'T CARE ABOUT CANADA/ABOUT ORDINARY CANADIANS: his decisions don't seem to be in Canada's best interest, unaware of problems of the rest of the country - lives in a fools paradise, the way he is personally, flippant attitude, arrogant and self-seeking, incertain things he runs a dictation, he isn't concerned about Canadian problems, his attitude is one of not caring - just wanting to retire, he's not interested in work, I don't think he cares about the people - he's out for #1, lost touch with the common people, he's completely incompetent, he's become only self-serving, he's been there too long.
- 2 INTERNAL/CANADIAN POLICIES: not enough free enterprise, should be increasing exports, wreckless spending, lack of long term policies, far too communistic, too socialistic, too many domestic problems, travels about too much, not helping the economy at all to improve, doesn't manage our gross national product, not enough emphasis on unemployment, too many give aways, the way everything is going, he is too free with our money.
- 3 PRO-FRENCH: he's pushing French far too much, too heavy an emphasis on making this a bilingual country.
- 4 INTERNATIONAL PRE-OCCUPATION: he tends to the 3rd world policy more than home policy, in the past he was good but now he is too concerned with his world image.
- 5 GENERAL: people don't believe in him anymore, lost confidence of the people, just don't like him, acts like a clown, he's a liar - he promises and doesn't deliver, he's not what I expect from a leader, he's ripping us off, can't put it into words even after probing.
- 6 OTHER
- 7 DON'T KNOW/NOT STATED
