This is a guide to selected books, government documents and reference materials in child studies. For resources in other disciplines, such as psychology, social work, and sociology, consult separate library guides on these subjects.

**BIBLIOGRAPHIES**

  REF HV711 Bibl C57 2002

  UN1 C10 2000.C35 .ENG

**BOOK REVIEWS**

Relevant book reviews can be found in *Social Services Abstracts* or *Child Development & Adolescent Studies* by selecting publication type: book reviews or document type: book review.

**CITATION AND WRITING GUIDES**

Academic style tip sheets and an essay and thesis preparation guide are available on the library’s website. The most recent editions of the official guides are located at the Research Help Desk.

*RefWorks*, a free online research management, writing and collaboration tool, is also available at www.library.carleton.ca.

**DATA AND GOVERNMENT DOCUMENTS**

Most of the government documents in the library’s collection are located in the Maps, Data, and Government Information Centre (MADGIC).

http://www.library.carleton.ca/madgic

The Data Centre is part of MADGIC and provides faculty and students with access to data and facilitates research in the social sciences. You can also consult the centre for data analysis and selected aspects of survey research.

www.library.carleton.ca/ssdata/index.html

**DIRECTORIES**

  Covers areas such as legal, governmental and financial information.
  FC2.C2992 (most recent edition is at the Research Help Desk)

  REF HV7.A1D57 or online access via Library Catalogue (latest edition only)

  REF LC4007.D5 2007
**FILMS**

The library has a collection of over 1,000 films (in VHS and DVD formats). These materials can be searched by choosing “Film/Video etc.” as the “material type” on a keyword search in the catalogue. Films are shelved behind the Circulation Desk. Here are samples of films in the collection:

**GUIDES AND HANDBOOKS**

**JOURNALS AND MAGAZINES**

Journals (including periodicals, serials and magazines) are important sources of the most recent research. The following publications are recommended by faculty in the Department of Child Studies.

- *Science*. American Association for the Advancement of Science. Q1.S35 (1927–2009) or online access via Library Catalogue

**Note:** STO indicates volumes held in the library’s storage facility.

**JOURNAL ARTICLE DATABASES**

For online access to databases, go to “databases by subject” at www.library.carleton.ca.

- *Canadian Research Index*. Includes research papers in physical, natural, and social sciences, policy papers, statistics, and annual reports from Canadian government and institutional sources. DDR CA7 MC .M33.EXF (Canadian Research Index, print equivalent)
- *CBCA Education*. Covers the areas of teaching, educational research, and educational administration in Canada. Over 400 journals are in the collection, some of which are included in full-text. Academic, administrative, professional, and topical journals are all included, as well as newsletters.
- *Child Development & Adolescent Studies*. International coverage of current and historical research literature related to the growth and development of children through to the age of 21. Includes book reviews and abstracts from journals, technical reports, books, book chapters, theses and dissertations from the biomedical and social sciences disciplines.
**CPI-Q (Canadian Periodical Index).**
Contains citations to essays, articles, short stories, and book reviews in more than 400 English and French language journals published in, or providing, significant coverage of Canada.

REF AI3.C241 (Canadian Periodical Index, print equivalent)

**ERIC.**
The Education Resources Information Center (ERIC), produces a database of journal and non-journal education literature. There is also a free-to-the-public version available which includes links to more than 107,000 full-text non-journal documents.

**PsychINFO.**
Contains citations with abstracts to articles from over 2000 journals; books, and book chapters; and dissertations in all areas of psychology and the behavioral sciences. Produced and updated by the American Psychological Association (APA).

**Social Services Abstract.**
Contains citations and abstracts to current research focused on social work, human services and related areas including social welfare, social policy and community development.
