WEB AND CD-ROM DATABASES

PsycINFO [Web Access] Produced by the American Psychological Association (APA) contains citations and summaries of journal articles, book chapters, books, and technical reports, as well as citations to dissertations, all in the field of psychology and psychological aspects of related disciplines. Dates covered: journal articles from 1887 and, books and chapters from 1987. Please see the Library's Databases page for access: http://www.library.carleton.ca/eresources/databases.html.

For selection of subject-terms use the Thesaurus of Psychological Index Terms. REF BF311.T54 2001. Also available on PsycINFO.

PsycARTICLES. [Web Access] The APA Full-Text Article Database contains the full text of articles from APA journals and selected EPF (Educational Publishing Foundation) journals, most from 1988 to the present. They can be browsed by table of contents or searched by keywords. Please see the Library's Databases page for access: http://www.library.carleton.ca/eresources/databases.html
**Psychology: IUPsyS Global Resource on CD-ROM.**

An annual collection of information sources on international psychology. Includes directories of international scholarly institutions and societies. Also includes current and historical descriptions about psychology throughout the world, abstracts of International Congresses, and comparisons of international ethical codes. Location: In Library only: Inquire at the Learning Commons Desk.

**Social Sciences Full Text** [Web Access]

Indexes English language Social Science periodicals from 1983 onwards and also provides a selection of these journals full-text. Please see the Library’s Databases page for access:

http://www.library.carleton.ca/eresources/databases.html

Our Library has subscriptions to a majority of the psychology periodicals cited in this index, therefore this research tool is highly recommended for undergraduates. Also available in print: Social Sciences Index (v.1-28, 1974-2001) STO AI3.R4913.

**ScholarsPortal** [Web Access]

It provides a common search-interface and full-text access to over 5 million articles from over 7000 journals from a large number of publishers/collections including the following: Academic Press, American Psychological Association, American Chemical Society, Berkeley Electronic Press, Elsevier Science, Harcourt Health Sciences, Kluwer (Kluwer Academic Publishers, Kluwer Law International and Kluwer/Plenum), Project MUSE, Springer-Verlag, and John Wiley & Sons. Please see the Library’s Databases page for access:

http://www.library.carleton.ca/eresources/databases.html

**Current Protocols in Neuroscience** [Web Access]

A full-text database containing experimental protocols and methods used in the Neuro- and Biological Sciences. Kept up to date with quarterly discs.

**PubMed/MEDLINE.** [Web Access]

PubMed is the United States’ National Library of Medicine’s (NLM) search service that provides access to over 11 million citations in MEDLINE (journal citations), PreMEDLINE (NLM’s in-process database for MEDLINE) and other related databases, with links to participating online journals. Dates covered: 1966- Please see the Library’s Databases page for access:

http://www.library.carleton.ca/eresources/databases.html

**ERIC** [Web Access]

ERIC (Educational Resources Information Center) database is sponsored by the U.S. Department of Education to provide extensive access to educational-related literature. Provides citations and abstracts of documents and journals on education research and practice from 1966 onwards. In addition, ERIC provides coverage of conferences, meetings, government documents, theses, dissertations, reports, audiovisual media, bibliographies, directories, books and monographs. For selection of subject-terms use the Thesaurus of ERIC Descriptors REF LB1028.T385 2001. Please see the Library’s Databases page for access:

http://www.library.carleton.ca/eresources/databases.html

**Web of Science** [Web Access]

Consists of the 3 main citation databases: Science Citation Index, Social Sciences Citation Index, and Arts & Humanities Citation Index. Each of the three can be searched separately or all can be searched together. Coverage is from 1955 onwards. The Web of Science can be searched two ways first by finding journal articles published on any subject or author and second by finding out who has cited a particular author and/or paper. Please see the Library’s Databases page for access:

http://www.library.carleton.ca/eresources/databases.html

**PRINT INDEXES AND ABSTRACTS**

**Child Development Abstracts and Bibliography.**

Highly recommended for child studies. Provides published abstracts from professional periodicals and reviews of books related to the growth and development of children.

REF HQ750.A1C47

**TESTS**

According to the Code of Ethics for the Canadian Psychological Association and the American Psychological Association, only licensed practitioners have access to psychological tests. Information on psychological tests can be found in the following sources:

A guide to the basic tools of the trade of psychology, including a selection of tests, experimental methods and analyses, and therapies.

REF BF176.S78 2007

A handbook for all aspects of psychological testing. It covers psychometric theory and its application in the construction of tests, the use and interpretation of tests, and an evaluative list of a selection of tests.

BF176.K44

A directory of basic information about tests. Includes indexes by test title and out of print tests. Also includes lists of tests suitable for assessment of or use by disability.

REF BF176.T43 1991

Goldman, Bert A. Directory of Unpublished Experimental Mental Measures. Washington, American Psychological Association, v. 1-, 1974-. Provides ready access to information about recently developed or recently used experimental measurement scales.

REF BF431.G624

Mental Measurements Yearbook. Highland Park, N.J., Gryphon Press. 1938-.
Provides descriptive information, references, and critical reviews of tests in the English language.

REF BF431.A1 Bibl M4

Tests in Print VII; An Index to Tests, Test Reviews, and the Literature on Specific Tests. Lincoln, Neb., University of Nebraska Press; Chesham, 2006.

REF BF431 Bibl .T4 2006

Previous editions:
A Tests in Print VI
REF BF431.T4 2002
B Tests in Print V:
1999
REF BF431 Bibl .T4
C Tests in Print IV:
1994
REF BF431 Bibl .T4
D Tests in Print III:
